COMMENTARY: The response of the members has been very good and we are making progress on our obit file and retyping the cemetery recordings.

The library committee met with some opposition but we still hope to strike a happy medium on that endeavor.

The council delegates placed more cards in the Surname File at the State Library at the Oct. meeting of the council so more of our members will appear in the next index.

The Friends of the Bay County Library System are having their first annual meeting for the purpose of electing the first officers of the organization. The meeting will be held, 7:30 p.m. Wednesday, November 12, 1980. We will have a brief report on this group.
